Dear Secretary Martin:

Attached hereto is a completed form, entitled "Arkansas Voter Registration Application." I had completed and attempted to file such an application with the Pulaski Circuit/County Clerk's office in March 2013, but the Pulaski Circuit/County Clerk's office refused to accept it, on the grounds that I already was a properly registered voter.

Since March 2013, I have been both eligible to register in Pulaski County and a properly qualified and registered voter there. Nevertheless, the Pulaski Circuit/County Clerk's office notified me that, on September 30, 2014, my voter registration had been cancelled in Pulaski County. The cancellation of my voter registration was improper, invalid, and illegal. I am filing this application, under protest, solely because the Pulaski Circuit/County Clerk's office has informed me that, unless I do so, Pulaski Circuit/County Clerk's office will prohibit me from exercising my fundamental constitutional right to vote in the upcoming election. I continue to contest Pulaski Circuit/County Clerk's office initial decision to remove me from the voter registration rolls, despite my status as a duly eligible and qualified registrant.

Sincerely,

Leslie Rutledge
