MARK LOWERY
STATE REPRESENTATIVE
The right experience

The voters of District 39 in Maumelle and western North Little Rock deserve a leader with principled and consistent conservative credentials - **now more than ever!** Arkansans need to know that when a vote is needed in the Arkansas Legislature for protecting pro-family interests, reduced taxes or less government - their state representative **won't abandon** conservative principles for a party invitation and a photo opportunity!

**Which face is
Joshua Clausen
showing the voters
of District 39?**

**Principled
conservative
OR...**

are we seeing the face of another “do or say anything to get elected” career political hack?

Op·por·tun·ist - One who takes advantage of any opportunity to achieve an end, often with no regard for principles or consequences; **a person who places expediency above principle**

Joshua Clausen tells voters that he is a Republican with “conservative Arkansas values”. But what kind of values are demonstrated by a supposed Republican attending *Democratic campaign fundraisers* for incumbent Governor **Mike Beebe** and Democratic lieutenant governor candidate **Shane Broadway** while Arkansas Republicans were firmly behind the candidacies of conservative leaders like former State Senator Jim Keet and businessman Mark Darr?

Worse yet, Beebe has given \$100,000 of his leftover campaign funds to the Democratic Party to **defeat Republicans**. That adds up to campaign dollars used to recruit Democratic candidates and money earmarked to deny Republicans majorities in the Arkansas House and Senate.

Republican voters need consistent conservative leaders this election year - not opportunists!
